Small vendors who have products to sell each week, but may not be able to commit to coming every week can share a space with another vendor(s). It is the vendor's responsibility to find selling partners for shared spaces. Each individual vendor must fill out an application and pay the \$50 application fee. Checks will be deposited after acceptance into the market; if not accepted, your check will be returned.

Will you be sharing a space with another vendor(s)? \_\_\_\_ Yes \_\_\_\_ No

(Note: The LCFM encourages vendors to share spaces—it may increase your chance of being accepted.)

If Yes, with which vendor(s) will you be sharing a space? \_\_\_\_\_

**Please check the dates (next page) that you WILL attend the market. You are making a commitment to these dates, and may be fined if you do not attend all dates you commit to (see Section 7.0 of the Rules and Regulations for 2012 updated information and changes).**

Due to restricted space, all vendors may not be accepted. Priority is given to vendors who sell fresh produce and agricultural products over crafts. In addition, priority is given to vendors who plan to attend all dates of the LCFM (for growers of seasonal produce, priority will be given to vendors who plan to attend all dates their produce is available). However, there may be temporary spaces available in May, June and October for vendors who cannot commit to all 24 weeks.
